OUR STRATEGIC PRIORITIES

JohnHoward

SOCIETY OF BRITISH COLUMBIA

OUR VISION

Safe, healthy and inclusive communities in British Columbia

OUR MISSION

We are the trusted voice on social and criminal justice issues in British Columbia

OUR VALUES

Trust

We create trusting relationships through respect, inclusivity, and consistently delivering results

Collaboration

We work with others to create greater impact through diversity and joint problem solving

Integrity

We advocate for others and do the right thing —even when the right thing is the hardest thing

Caring

We operate from a place of compassion, connection and humanness

PUBLIC POLICY

Strategic Goals

By 2020 we will...

be on a fiscally predictable and sustainable path

be known for providing strong value to regions

0

be a leading voice on social and criminal justice issues in BC 6

all be working together to protect and enhance the JHS brand in BC 1

have a well-established collaborative network for the benefit of all regions

Success Measures

We will know we are succeeding when...

- Receiving positive feedback from regions
- ✓ Affiliate agreements are implemented
- ✓ Strong financial position
- ✔ Provincial contracts in place
- ✓ We are consistently advocating for what's best for all of BC vs specific regions

- ✔ Policy guide updated
- Clear position and messaging on specific public policies
- Media is regularly calling for opinion
- ✓ Government inviting JHS to provide input on public policy

- ✓ Regular discussion in all directions about community support needs
- ✓ All affiliates operating at provincially recognised standards
- Regularly sharing success stories

- Communities in BC are getting the services they require
- ✓ High levels of trust in all directions
- ✓ All JHS regions operating to their desired capacity and potential
- ✓ JHSBC is a data / knowledge hub for regions
